Sponsorship OPPORTUNITIES

Welcome to the international gathering for space stakeholders, from designers to users

Attended by more than 3000 participants from all over the world, including leading stakeholders & decision-makers, entrepreneurs, space agency directors, executives of key organizations and political leaders, the **TOULOUSE SPACE SHOW** organised by CNES and its partners is a major global forum dedicated to novel space-based systems, highlighting future trends and the new space economy.

With 12,000 jobs in the space sector (a quarter of all such jobs in Europe), more than 1,000 researchers, the presence of the two most important European prime contractors, and a dense network of OEMs, SMEs and startups, the Occitanie Region is the European leader for the design and creation of space systems and their applications.

The 2016 edition of the Toulouse Space Show attracted more than 3,000 people from 45 countries, confirming the role of Toulouse as a space capital and Occitanie as one of the world's great space regions.
